Briefly explain what you are interested in doing with the Mutt Matchers stated goals _____

Number of Hours available: Daily _____ Weekly _____ Monthly _____
Other Talents _____

Many members and / or volunteers will be needed to make the goals of Mutt Matchers & Friends a reality. We will need responsible Kennel help, Telephone contacts, Adoption specialists, Dog walkers and many more people from every walk of life. Every position is important and vital to the success of our mission.

Donations from the public and private sector are needed to establish the Shelter and to keep it operational and growing. There will be opportunities for work at home, contact with the public (full or part time) and hands on contact with the animals. If you are willing or able to participate in any capacity, please call us for further information or fill out this form and mail to the address below.

Mutt Matchers & Friends will strive to meet the needs of the whole community for good, "adoptable" pets, but our initial emphasis will be on dogs since that is what the old shelter building is designed to house.
